## **Strategic Plan 2015 – 2020 Reports**

### **Dr. Chuck Terrell, President**

- HLC Peer Reviewer’s report – *Dr. Terrell thanked faculty and staff for their work on the HLC Focused Visit on March 24. The Peer Reviewer’s Report focused on COVID-19, the lack of a new Strategic Plan, and issues of sustainability. Eastern has made good progress over the past two years but this was ignored as the Peer Reviewers took a forward-looking approach, contrary to what a Focused Visit should be. The College submitted Errors of Fact to the HLC. The Strategic Plan should be developed by the next president, and should be “married” to the WV CTCS Strategic Plan which has not been updated. HLC informed Eastern that another in-person visit will be necessary. Sent letter to HLC Liaison regarding approach of Peer Reviewers. Waiting on a revised report from the HLC which Eastern can appeal.*
- Stimulus Act - *Phase 1 funding for students from the CARES Act should be received within 24 – 48 hours. Phase 2, when available, will be funding for college use via grants.gov.*
- Fall 2020 COVID-19 planning
